ADVENTURES

The Falls are Calling!

This is no simple walk in the park! Our most challenging adventure is a hike to the beautiful Margarette Falls.

Presidents and Vintage Cars

Learn from the past during this tour of the Andrew Johnson Historical Site and Greeneville's own City Car Garage for a look at some really cool cars from "back in the day."

Green Water Excitement!

Challenge your paddling skills as you canoe down the Nolichucky River. Not a lot of white water but a whole lot of excitement!

Brights Zoo!

The zoo is calling, and I must go! Spend the day touring the zoo seeing rare and exotic animals! Experience the wonders of animal species from around the globe!

Bays Mountain

Rope course and zip line! The Flying Squirrel is a 310-foot thrill ride zip line that races you through our wondrous and beautiful tree line!

Awesome

Aquatics

Explore the creatures of the "abyss"! Experience what goes on in the water in swamp and lake areas.

Cooking with Fire and Iron- What would you do if there was no electricity and your family ran out of tater chips? While you are waiting for the x-box to start working again, why not cook a meal or snack in the back yard? Learn how to use Fire and Iron to cook snacks or a complete meal for your family.

CSI Crime Scene Investigation –

Use Science to determine who committed the crime. Learn how to dust for fingerprints, blood type, and other techniques used by the experts to solve the Big Case.

Extreme Fishing- This is not just a day for fishing! Learn the art of tying knots and selecting and using different lures. Experience the art of casting and try it yourself!

Geo-Caching- Take nothing but a handheld GPS unit on a geo-caching adventure! This is one of the great tribal Challenges, and your tribe is depending on you to find the treasure!

Hold Your Horses- A horse is a horse, of course, and no one can talk to a horse, of course...or can they? Campers will giddy on up into the equine world with hands on activities related to horses!

Hands-on Fun Shops

Hot Air Ballooning- Soar high into the sky! In this class you get to construct a Hot Air Balloon as big as you!! Watch it fill with air and see how high your team's design will fly!

J.R. The Science Guy - Albert Einstein had nothing on Professor JR! If you have an interest in physics, a thirst for science, or just

simply want to see a ping pong ball travel 300 mph, you will love this workshop!

Photography- Learn to take great photos! Using cameras or just cell phones. Learn some tricks to make photos really tell a story.

Rockets Red Glare- Learn more about Rockets and how they work. How high do they fly? How you can calculate the altitude? Guaranteed to be a Blast!

Sew Much Fun!- Do you love to sew? If "sew", this is the class for you! It does not matter whether you are skilled at sewing or a sewing novice, this class is sure to be enjoyable.

Survival of the Fittest- What happens when you go on a hike and get lost in the woods? What if no one comes looking for you? Can you survive in the wild? We will find out!

Zippin' and Zoomin'- Test your skills at the Clyde Austin Challenge Course! Climb the Wall, look out for the giant spider... negotiate the meat grinder.

Night at the Ball Park

On Tuesday evening we will be leaving Camp to Spend a night watching a minor league baseball game!

MORE SIGN UP

Campers, be thinking about what service project, adventure, and class you'd like to join! You will sign up for each activity once you are at camp! This way camper have more time to decide and can sign up with their friends!
