

Dear Producer,

Master Beef Training for 2026

Several options will be available to you to receive Master Beef credits. You need at least 14 hours of training on 8 topics related to beef cattle production. A partial list of trainings, field days, and meetings are below. The cost of the Advanced Master Beef training is \$150.00.

Team Conference (January 27, 2026)

Please register for this free conference and encourage others to do the same. The flyer with registration information is enclosed. You will receive 3 Master Beef credits for attending this conference.

The other sessions will be available to you via YouTube upon receipt of your payment. The web links will be sent to you via email. You can watch at your own pace. There will be a form sent to you to record the sessions that you have watched. Each of these YouTube videos will be assigned a number of credits.

Deadline

Please fill out the form at the bottom of this page and return to our office with payment by January 23rd, 2026.
