Witch’s Brooms

Yield= 72; approximately $.30 each

1 36 count pkg string cheese

1 pkg pretzel sticks

Optional: Chives for tying

Directions

- Cut string cheese sticks in half.
- Use scissors or a small knife to make multiple slits in the bottom half of each string cheese section. This will resemble the bristles of a broom.
- Stick a pretzel into the end that you did not make slits in. It should go into half of the length of the cheese.
- Optional: Use chives to make a small green tie at the top of the cheese.
